

Dear Friends,

K-Love is an incredibly important radio station to my family, our church, and our community. In my entire life I have not found a radio station that has the kind of quality and effectiveness that

K-Love has. If K-Love were to be displaced by an LPFM broadcaster providing other programming our community (Wilmore and Lexington, KY) would lose out on an incredible resource. We do have some local programs, but they are much less meaningful and less substantial. I believe that the service provided by K-Love is essential, because it unites Christians, provides unbiased, focused news coverage for Christians, instructs families in helpful ways, and provides music that is interesting, entertaining, and safe for the whole family to listen to. There is no other radio station like it!
